Hello Kell

I will be back in the office tomorrow and will have a better sense of timing. It depends on large part where we are in our coordination with the affected tribes. I think the 26th may work. But I can confirm tomorrow.

Hello Enrique, I wanted to check on the timing of the above. Our Office of Public Engagement is interested in being in sync with Gov Sandoval on the announcement/signature completion on the above. Is it possible to target the 26<sup>th</sup> of January as the date we could plan to have all completed? That is the date the Governor's office has set aside for the announcement. I think this would be really helpful.
